Len,

My name is Courtney (*Alexandria*) Slack, Wes is my dad. Unfortunately he passed away a few months ago. I apologize for not returning your email sooner, it's been difficult for me to come to terms with his passing, and I'm afraid it's left me somewhat crippled. I know he would have loved to come to the 50th class reunion and reconnect with his classmates. I'm sorry to say an obituary was never written, however, I have been trying to collect photos of him in his younger years. If you'd like, I'd be happy to forward the handful of precious photos I find.

Thank you for your concern and kind words. Feel free to continue mailing to this email address, I will do a better job with staying on top of it.

Courtney
