

## Port Huron High School Class Of 1963

Hello Classmate,

22 August 2015

### 70<sup>th</sup> Birthday Party – Conclusion

- **Unbelievable turnout, 67 classmates and 31 guests...** Only four classmates paid and were unable to attend. It is a blessing that the bills are paid and I am in the process of refunding money for those that missed the event and want a refund or applying the funds to the web site registration/storage for those that don't. I will have a financial statement posted on the web page soon. There was a balance of \$15.60. If I do not hear any objections, I would like to apply the \$15.60 to the web site registration/storage as well.

**Sue and I would like to thank some very special unsung heroes that contributed directly to the success of the picnic.**

- Early financial support came from Charlie and Laura (Marlette) Huebner, Jeff and Kathy (Hardy) Kellogg, Jim and Cynthia (Sari) Vigrass, Jan (Harris) Bond, and Carol (Cumming) Griffin. Without early financing, park reservations and catering couldn't have been guaranteed so early.
- Background music with Mike Mullins was provided by Bob and Margaret Hale. I thought the music added to the atmosphere, the right genre, the right volume, and for the right amount of time. I think everyone thought Mike did a great job.
- The warm invitation and interlude of a classical performance from Charlie and Laura added something special to the event as well. Laura's performance was FANTASTIC!
- Classic automobiles, a 36 Dodge and a 63 Chevy Impala SS 409 convertible added to the festive activities as well. Thank you Gary Minnie and Bob Hale.
- How did you like the banner hung in the pavilion? Betty (Working) and husband, Jack Rowley provided a Class of 1963 banner with an additional birthday announcement banner. I have the banner and will make it available for any Class of 1963 event where and when it is needed.
- Lastly there are the set up and cleanup crews. It is easy to identify the set up crew as Jack Rowley ensured we had a picture after everything was set up. The cleanup crew on the other hand are unsung heroes as well. You all did a GREAT JOB! THANK YOU. You made the event start and end well.
- Thanks for the memories! Photos taken by Jack Rowley (husband of Betty Working); my son, Michael; Dorothy (Newman) Smith have been posted on a Smugmug web site. There are some

459 photos that can be viewed, downloaded to your computer or copies ordered on line. It is **NOT** necessary to order from SMUGMUG. You can get the complete collection sent to you in a zip file or download individual photos to your PC. For those wanting to download only a few photos, there is an icon in the lower right beneath each photo as it is viewed. Clicking on the icon will download the viewed photo to your computer. The link to SMUGMUG can be found on the home page as well as the PHOTO GALLERY link as well.

*If I have forgotten anyone, please forgive me. It was a rewarding adventure for Sue and I, and I don't mean to slight anyone. To everyone that helped/participate or in any way contributed to our celebration, "THANK YOU!".*
